AVANT PREMIÈRE IS HOSTED BY THE IMZ INTERNATIONAL MUSIC + MEDIA CENTRE

The Vienna-based IMZ International Music + Media Centre was founded under the aegis of UNESCO in 1961 to preserve the performing arts as a cultural asset. With this goal in mind, our mission is to promote performing arts *in* and *through* audiovisual media in order to inspire and engage new audiences for music + dance. Our work is based on four pillars:

MARKET ACCESS + NETWORK

As global business network for more than 150 member organisations we connect the creators of the performing arts – the world's renowned stages, dance companies, opera and concert houses – with the audiovisual branches – film and TV production, distribution, public and private broadcasting.

Regular industry gatherings and b2b events do not only enhance the quality + span of the network but also act as marketplace for music + dance films.

PROFESSIONALISATION

In order to ensure a sustainable future for this specialised industry, the IMZ furthermore spearheads learning + development opportunities. By disseminating state-of-the-art information on current trends, providing crucial resources,

fostering knowledge transfer of industry-specific skills and engaging in young talent promotion as well as offering pitching opportunities, the IMZ acts as a strong interest group for member organisations and the sector as a whole.

AUDIENCE DEVELOPMENT

The distribution of cultural content through audiovisual media reaches + engages new audiences. In order to build on this effect, the IMZ has been programming Music Film Festivals worldwide since the festival character and the free admission allow for low barriers to attend. Additionally, audience development is a crucial topic in the IMZ's professionalisation efforts.

INNOVATION

Innovation and staying on the pulse of time are deeply embedded in all IMZ activities. Additionally, we specifically engage in showcasing pioneering technologies for the Arts and spearhead working groups on innovative approaches + solutions for the specialised industry.
